WORK EXPERIENCE

FREELANCE DESIGNER

(APR 2024 -)

Working directly with clients, executing projects from concept to delivery, receiving and successfully responding to feedback, designing logotypes, writing brand stories, creating digital advertisement etc.

GRAPHIC DESIGNER

CREATIVE DOCK (APR 2024 - JUNE 2025)

At CD, I worked in a highly agile, English-speaking international team, creating graphics banners, newsletters, and landing pages for various clients.

DIGITAL DESIGNER

OGILVY (APR 2023 - JAN 2024)

In Ogilvy I've gained valuable hands-on experience in retail; thanks to working in T3 team for Tesco, preparing weekly newsletters, coms, banners, etc. working mainly in Figma & Photoshop. Occasionally, I also worked on T-Mobile or Lexus.
